

Lithilite

- RANGE 15 miles
- BATTERY PACK 4kg

Lithilite^{Pro}

- RANGE 26 miles
- BATTERY PACK 5kg

2 YEAR WARRANTY ON ALL MODELS

Come To Bits Easily

The Lithilite range adds innovative Lithium battery technology to a high quality, tried and tested design.

The Lithilite offers up to 15 miles range with a lightweight 4kg battery pack. The Alumina Pro goes even further, with a 30 mile range (the longest of any car boot scooter) and only a 5kg battery pack. A smaller battery pack is also available which complies with the Civil Aviation Authority's regulations for air travel.

Both the Lithilite and Lithilite Pro can be disassembled easily for transportation and are fitted with all-round suspension, giving an impressive ground clearance. The long and flat floorpan and adjustable tiller also allow generous leg room and the soft grip tiller handlebar make for an amazingly comfortable ride.

Full Suspension

Large Wheels

Long Flat Pan For Leg Room

High Ground Clearance

Soft Grip & Dual Controls

Li-On Battery
