TREKKER
AEROLITE
PRODUCT SPOTLIGHT

Your Trekker, Your Way

Configure every detail for maximum freedom and comfort

Featuring a dual battery system, the Aerolite Trekker can run on either one or both of its two batteries, offering flexibility and extending your range up to 18 miles.

Whether you're navigating city streets or exploring rugged trails, the Aerolite Trekker delivers reliable performance and endurance with its front suspension & large tyres. Designed for adventure seekers, this versatile powerchair is perfect for all your journeys, ensuring you can travel further and experience more with every journey.

Total Customisation

Over 1.7 million possible seating configurations

Easy to fold in seconds

Pack away your Trekker effortlessly. Designed with a quick and simple forward folding mechanism, making it easy to store or transport in seconds.

Tackle rough terrain

With front suspension and large rear wheels, the Trekker handles rough paths and uneven ground with confidence. Enjoy a smooth ride, whether you're exploring trails or navigating city streets.

Ergonomic comfort

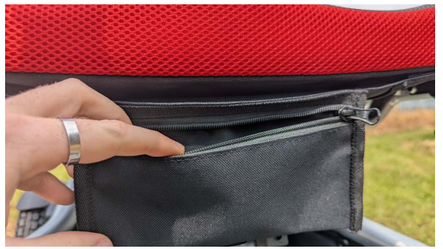
Relax in padded comfort with the thick, ergonomic seat cushions. Designed to support you mile after mile, it ensures you stay comfortable on every journey.

Go the distance

The Trekker's dual battery system offers the flexibility to run on a single battery while the other charges at home, or insert both for an extended range of up to 18 miles per charge.

Thoughtful storage solutions

Keeping everything you need within easy reach, the Trekker boasts a spacious underseat basket offering plenty of room for essentials. Additionally, a discreet underseat zip pocket keeps valuables secure and a rear pocket, perfect for larger items, helping you stay organised wherever you go.



Effortless loading

Loading into a car boot is simple with the extendable climber wheels. Hook them onto the boot lip, lift the back end, and roll in, reducing strain and making the process a breeze.
