CONNEX

Freedom unfolded

Automatic convenience anywhere you go

Connex is designed to make life simpler. Whether you're heading into town, packing the car boot or navigating tight spaces, this compact folding scooter is ready in seconds. Easily disassemble and automatically fold at the touch of a button.

Despite its compact frame, Connex is big on comfort. Soft pneumatic tyres, a breathable mesh rotating seat and generous legroom make it ideal for daily use, extended outings, and everything in between.

From keyless start to a clear digital display, every detail is designed to simplify your journey, so you can focus on getting where you want to go, with less effort and more freedom.

Fold at the touch of a button

No fuss or heavy lifting. Connex folds and unfolds automatically - perfect for effortless transport or quick storage.

Compact, yet comes apart

Need to go smaller? Connex disassembles into lightweight parts, making it easy to load into almost any car.

Keyless start with fob

A modern way to get moving. Simply tap the included fob to power up - no traditional keys needed.

Digital display, simplified control

The sleek digital tiller shows speed, battery and more at a glance, designed to be easy to use for all users.

Ride smoothly with pneumatic tyres

Air-filled tyres give you a smoother, more cushioned ride - ideal for pavements, parks or car parks.

Comfortable, rotating seat

The breathable mesh seat is built for comfort and it rotates for easy transfers when you reach your destination.
